DETAILED ACTION

1. Applicant's Appeal Brief filed on 12/08/2003 has been fully considered. Claims 16-33 are pending. (NOTE: Claims 16-23 and 29-33 are withdrawn from consideration as non-elected invention).

2. In view of the Appeal Brief filed on 12/08/2004, PROSECUTION IS HEREBY REOPENED. A new ground of claim objection is set forth below.

To avoid abandonment of the application, appellant must exercise one of the following two options:

- (1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,
 - (2) request reinstatement of the appeal.

If reinstatement of the appeal is requested, such request must be accompanied by a supplemental appeal brief, but no new amendments, affidavits (37 CFR 1.130, 1.131 or 1.132) or other evidence are permitted. See 37 CFR 1.193(b)(2).

Claim Objections

3. Claims 24-28 are objected to because they are directly or indirectly dependent upon a claim that is withdrawn as non-elected invention.

Application/Control Number: 09/910,966

Art Unit: 1774

Allowable Subject Matter

Claims 24-28 would be allowable if rewritten or amended to overcome the claim objection set forth in this Office action. The closest art Kronzer (US 4,863,781) teaches a melt transfer web comprising a substrate; a non-fusible release layer and a fusible vinyl ink layer in the order thereof. Kronzer neither teaches nor suggests that its transfer web contains no fusible polymer layer other than the fusible ink layer. In fact, Kronzer teaches that its transfer web further contains a fusible conformable layer.

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Betelhem Shewareged whose telephone number is 571-272-1529. The examiner can normally be reached on Mon.-Thur. 7:30AM-6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cynthia H Kelly can be reached on 571-272-1526. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
